

Millside School Newsletter April 2025

Dear Students, Parents, Carers and Friends,
I hope you enjoy this snapshot of Millside School over the past half term, and I'd like to wish you all a Happy Easter break. We return on Tuesday 22nd April at the usual time of 8.30am for all students. We hope to see you at our Parent/Carer Drop In Afternoon 2.30-4pm on Wednesday 23rd April to discuss the progress reports and Y11 exams.

With kind regards
Mrs Lou West, Head of Millside.

The Year 8 students attended a Pizza Express (Windsor) experience as part of their curriculum. They enjoyed making their own pizzas, eating them by Windsor Castle and then watching the changing of the guards. All of the students demonstrated positive and respectful behaviour around the general public and in the restaurant. Thank you to the staff who supported this trip.

Mr Dean Papali

Warhammer Team Building

Recently in 8 Smith we have been introduced to Warhammer by Isaac S. This has led to us acquiring a set for the school and the students being able to access this activity during team building. They have worked together to make the figures and currently in the painting stage. They have all enjoyed working together to paint their figures and create an army. I am looking forward to how they will continue to develop their skills and work together. This will also be an opportunity for myself to learn something new! Mrs Zen Farhan

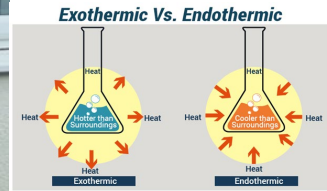

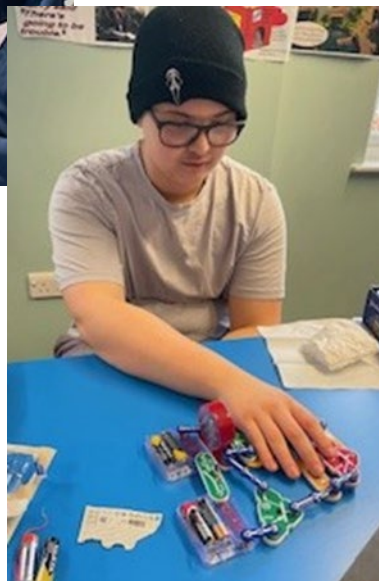

CHANGE & ADAPT

CHANGE & ADAPT

Miss Blake's Yr7 Science lessons have gone with a pop, fizz and a bang this term. They have been naming and understanding chemical reactions in a range of ways including making an explosion with a hydrogen balloon and making lava lamps.

Y11 Physics students made a pendulum.

Y11 Physics students learning about electricity and circuits and using their knowledge to make a lie detector, send Morse code messages through a buzzer and use oranges and squash as a battery.

Miss Vicki Blake

Spring Term for our Y11s – an update from Form Tutor Mrs Abbie Walker.

This term our Year 11s have been continuing to prepare for their lives post-Millside, visiting prospective Colleges and submitting their applications. They have also been working hard reviewing their mock exam results and tackling more mock exams in Statistics, English Literature and Digital Functional Skills. Many have completed their Kitchencraft qualification and everyone has been focusing on how to reach their target grades.

At Millside and across Haybrook we continue to use the 'Zones' for managing our emotional regulation and to help our well being.

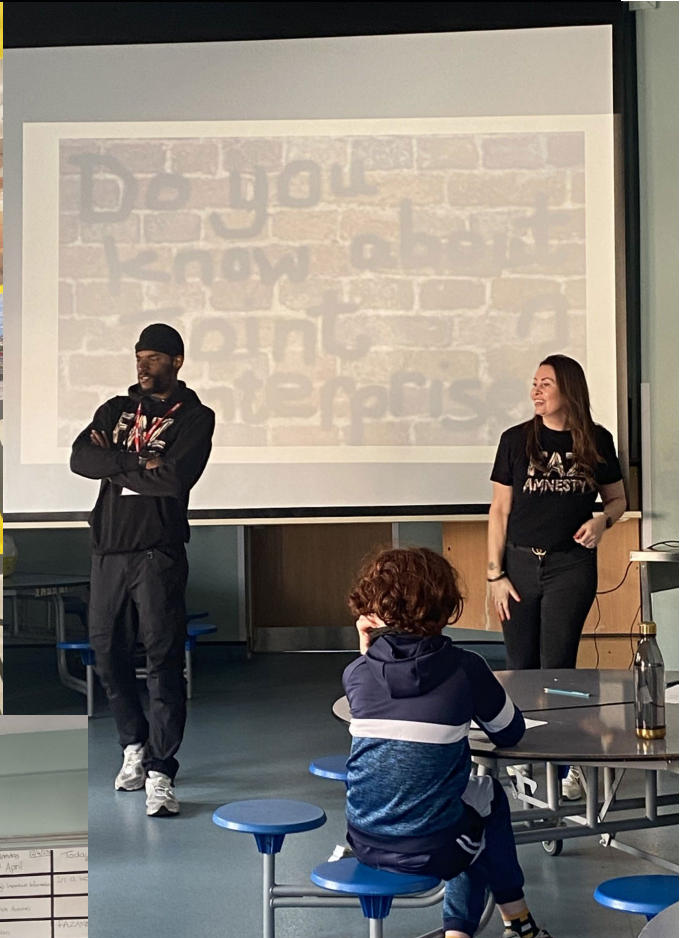

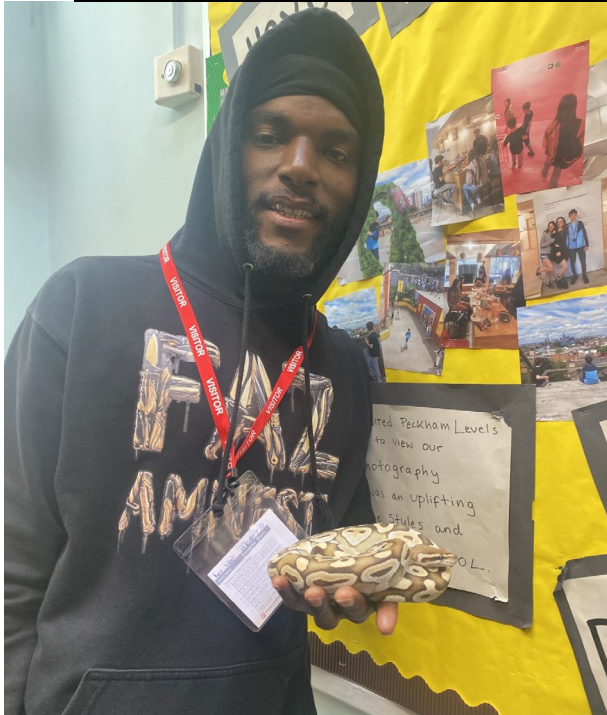

We raised £58 through a Raffle and a Treasure Hunt.

Y9 RE students visited Neasden Hindu Temple. Their behavior and levels of respect were excellent.

#FAZAMNESTY

Anti knife crime campaigner Faron Alex Paul visited us in April for a workshop on how to keep ourselves and others safe in the community and online.

Faron is really tall, especially when standing next to Mrs West!
